10. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me in part that the Committee hearing schedule has slipped and it now appears that the Committee hearing schedule will not begin before the week of the 22nd.

I briefed Mr. Preston on the Soviet Central Asian and Far East Military Districts; Egyptian participation in SA-3 exercises; [REDACTED] and Chinese SINO-A jet fighters.

11. (Confidential - LLM) Called Drury H. Blair, Senate Subcommittee on Immigration and Naturalization, and requested the reintroduction of the private relief bill on [REDACTED] which he said would be done. He said the Subcommittee had completed the paperwork on the case and expects favorable action by the Senate before September when [REDACTED] will have been a resident for five years. [REDACTED], FE Division, has been advised.

12. (Confidential - LLM) J. Sourwine, Counsel, Senate Subcommittee on Internal Security, was not available in the office today because of illness and I left a message for him to call me when he is available. (This concerns the delivery of "Department 'D': The Disinformation Center of Soviet Bloc Intelligence," by [REDACTED] pursuant to the conditions laid down by SB Division. See Memo for the Record.)
